## In Memory

It is with our deepest sorrow that we inform you of the passing of one of our employees, Thomas Arancio. Thomas was our Network and Technology Manager at the Library. He joined our staff in December of 2012 and passed away suddenly on April 19. Thomas was a thoughtful and considerate co-worker who will be missed by both staff and the many patrons he helped over the years. Our hearts go out to Thomas' family during this difficult time.

Our Helping Hands program for all ages is available remotely! Connect with a Social Worker one-on-one to help with any problems you may be experiencing. Helping Hands is also offering support groups, open forums and programs to help you cope during this difficult time.
