## On the Move

This Fall we will move the Library's Teen Center into the 1812 Bayles House at the corner of East Main and Vineyard. The space will host Port Jeff Library Teen programs, services and book collections in a space that combines innovative function with historic architecture for a unique experience. We look forward to scheduling the Grand Opening soon and then welcoming Teens to make us their home away from home.

Our Friends' Book store will be moving as well. The spot to find a fantastic selection of gently used books whose sale supports the Library will be inside the Library. The new store is expected to open late September or early October. We hope to see you in the library soon.
